

## No Limits to Literacy for Preschool English Learners

*Theresa A. Roberts*

***Produce strong language and literacy outcomes for the youngest English learners!***

One of the few resources to focus exclusively on literacy for preschool English learners (ELs), this valuable guide helps teachers understand how ELs ages 3 to 5 acquire the foundations for literacy and offers practical, field-tested strategies for teaching language and literacy skills. The author, an expert literacy practitioner and researcher for preschool ELs, helps educators:

- Build early literacy skills by teaching the alphabetic principle, phonological awareness, and vocabulary
- Encourage family involvement and nurture the home-school alliance
- Build on children's primary language
- Strengthen preschool programs serving young ELs

**Helping Educators Do Their Work Better**

*“A powerful contribution to the field of early literacy. Highlighting the quality of the language model as one of the most important resources for language development, Roberts weaves a rich tapestry of research and practical application and helps us understand what this means for embracing our work with ELLs.”*

—Molly F. Collins, Assistant Professor  
Erikson Institute

*“This book offers a foundation in language and literacy that greatly benefits dual language learners.”*

—Pamela S. Allen, Lead Teacher/Gifted Facilitator  
Ballantyne Elementary School, Charlotte, NC

*“This welcome and much needed resource for early education professionals is solidly based on the research on early literacy and language development and on Roberts’ extensive and thoughtful experience in effective instructional applications for English learners. The book is written with the clarity to inspire confidence in teachers to translate research evidence and theory into effective and engaging learning activities.”*

—Patricia Vadasy, Senior Researcher  
Washington Research Institute
